

RESOURCES

Watch the following videos to understand the basics of Javascript and DOM which will be required to complete the given task:-

JAVASCRIPT:

Javascript basics and DOM (English):

<https://www.youtube.com/watch?v=hdI2bqOjy3c>

Javascript basics and DOM (Hindi):

<https://www.youtube.com/watch?v=hKB-YGF14SY>

Watch any one of the videos to understand Github:-

Github (English):

https://www.youtube.com/watch?v=QyFcl_Fba-k

Github (Hindi):

<https://www.youtube.com/watch?v=G14WMD8Kg3U>

View the expected output and download the product images from the following link:

<https://www.figma.com/file/7YOnot4eIKEdHGGJZMdn25Z/project?node-id=1%3A508>

If you are able to replicate the output, then kudos!! You have passed the third task with flying colors.

If you face any issue then connect with us at: connect@ensvee.com
